On call would be great!!

I am also on call for Brockton District and Quincy District.

If your case goes forward, is it possible to get me on Wed AM?

Thank you for your patience.

Subject: REMINDER [REDACTED] tomorrow BMC

Hi Annie/Della,

I just wanted to remind you that the [REDACTED] case is on tomorrow in the BMC for trial. Annie, I know that I emailed you a summons last week (the case got a very short trial date) and I realized that I will likely need Della Saunders as well, should the case go to trial because she was the confirmatory chemist on the Percocet. I attached a summons for Della here and cc'd her, as well as Elisabeth O'Brien on this email. Della, please let me know if you have any conflicts. I sincerely apologize that you were not summonsed sooner.

As I said before, I will put you both on call and will call you if I hear that the case is going to trial. If it does happen will you be able to get here on your own? I only have three other witnesses testifying other than you two so it might go by quickly.

Thank you!

Katie
